**Grace St. Paul's
Episcopal Church**

2331 E. Adams St • Tucson

A free series of 3 evening talks based upon *The String of Precious Jewels* **written almost 2,000 years ago** by the Indian Buddhist master Nagarjuna.

We'll learn specific techniques for creating the partner you want. We use special meditation methods and ways of going through our usual day at work and home, which can actually change the people and things around us. Our relationships become a matter of choice, not chance.
